ABOUT THE EVENT

Held two weekends each year, the Indy Mega Adoption Events are two-day pet adoption extravaganzas at the Indiana State Fairgrounds. Participating central Indiana animal shelters and rescues bring thousands of adoptable pets together under one roof to offer potential pet parents the opportunity to take home a dog or cat at a reduced adoption fee of \$30. All animals are fixed, microchipped, and ready to take home that day. The event is free to the public (parking at the fairgrounds is \$5).

This is the fourth year for the Indy Mega Adoption Events. In 2016, events in June and October saw lines of potential pet parents wrapped around the building and nearly 1,400 cats and dogs placed in loving forever homes.

EVENT REACH

Today, more than ever before, pets are recognized as an important part of the family. Thanks to events like this and increased awareness about the plight of shelter animals, we have come a long way over the past few years. Just a few years ago, as many as 22,000 animals were euthanized in Indianapolis shelters each year.

Today, that number is down to less than 1,900 annually. But really, that's still far too many. Healthy pets are being put down each year because they're not adopted and there isn't enough space to shelter them.

Our city has a wealth of people dedicated to animal welfare and remarkable rescue groups and shelters. By working together, we can achieve our common goal: more pets in more loving homes. By placing animals in homes, we free up shelter space to accommodate animals from high-kill shelters. Together, we can realize our ultimate goal: to make central Indiana an area where no healthy animals are euthanized.

WHAT IS FACE LOW-COST ANIMAL CLINIC?

FACE is Indianapolis' only high-volume, low-cost animal clinic. We are committed to providing accessible and affordable services six days a week. Ultimately, our work has the desired end goal of saving all companion animals by increasing access to spay/neuter services and wellness care. We are focused on reducing the barriers to pet ownership, while keeping animals with their families and out of area shelters. FACE is a 501(c)(3) charitable organization.
